

BOOKLET AD SUBMISSION

Deadline to submit: Friday, April 23

The College Hill Business Association is printing a full color staple bound booklet which will be free to one and all. The purpose of the booklet is to promote and support our district businesses. The booklet also serves as a benefit to our members.

The back of the booklet will contain a list of all businesses (members and non-members). The front portion of the booklet will contain ads of various sizes.

Member businesses are automatically eligible for a free 1/8 page ad. Member businesses have the option of purchasing larger ad space.

The booklet is 4 inches wide and 8.5 inches tall. We have hired a professional designer and printer. The designer will be designing all the ads but you can decide what content you want to include.
